

BSCF – 9'6" Collapsible Flatrack

Colour Scheme: Blue with Yellow Highlights

Series Numbering: BSCF #####

Handling Requirements: Bladefork & Topframe

Description

All steel constructed flatrack with full panel end walls. Four removable gates on each side and steel floor. Side gates are removed, positioned on floor with end walls collapsing over gates with walls then locked in the closed position. Self contained twistlocks enable nesting of collapsed units. 2 pallet wide. End walls are spring assisted and may be assembled without mechanical means. Units fitted with Grapple Lift points. Standard Lashing Rails with additional heavy duty lashing points fitted to each end. Side gates are designed to define load limit and are not in any way suitable for load securement.
